## PROFESSIONAL SUMMARY

MCA graduate with strong knowledge of Python and web development. Experience in building RESTful APIs and web applications using Django and FastAPI. Familiar with backend development, database design, and API architecture. Knowledge of Git, Docker, and modern development workflows. Interested in developing scalable backend systems and improving problem-solving skills.

## TECHNICAL SKILLS

Programming Language: Python

Frameworks: Django, FastAPI

Databases: SQLite, SQL

Web Technologies: HTML, CSS, JavaScript

Backend Knowledge: REST APIs, HTTP Methods, JSON

Tools: Git, GitHub, Docker (Basics), VS Code

Core Concepts: Object-Oriented Programming, Data Structures, Algorithms, Problem Solving, Debugging

## PROJECTS

### AI Text-to-Image Generator

Technologies: Python, Django, SQLite

Project: <https://github.com/brahmatejavalli/Text-to-image-generator>

- Developed a web application to generate images from text prompts using AI-based models.
- Integrated Diffusers and Transformers for image generation.
- Designed and implemented RESTful APIs for request handling, processing, and data storage.
- Used Django ORM for database operations and persistence of user inputs and outputs.
- Implemented input validation and error handling for reliable backend functionality.
- Worked with HTTP requests, JSON data handling, and API response management.

### Personal Portfolio Website

Technologies: HTML, CSS, JavaScript

Project: [https://github.com/brahmatejavalli/My\\_Portfolio](https://github.com/brahmatejavalli/My_Portfolio)

- Developed a responsive web application to showcase projects and technical skills.
- Implemented interactive UI components using JavaScript and modern CSS techniques.
- Ensured cross-browser compatibility and responsive design.

## EDUCATION

Master of Computer Applications (MCA)

College: Nanakram Bhagawan Das Science and PG College

University: Osmania University, Hyderabad

2023–2025 | CGPA: 7.14/10

Bachelor of Science (B.Sc.)

College: Government Degree College (Mens)

University: Dr B R Ambedkar University, Etcherla

2018–2023 | CGPA: 7.08/10

Intermediate

College: Sri Chaitanya Junior College

Board: Board of Intermediate Education, Andhra Pradesh

2016–2018 | Score: 833/1000

SSC

School: Ravindra Bharathi School

Board: Board of Secondary Education, Andhra Pradesh

2015–2016 | CGPA: 8.3/10
